**Subject:** Invitation to Join the Telangana Training and Placement Officers Consortium

Dear Training and Placement Officer,

I hope this letter finds you well. On behalf of the Telangana Training and Placement Officers Consortium, we are delighted to invite you to join our growing community of dedicated professionals.

As a key Placement Officer in your institution, your contributions to students' career development are truly commendable. Your expertise and dedication have played a crucial role in shaping their futures, and we would love for you to be part of this collaborative network.

By joining the consortium, you'll have the opportunity to connect with experienced Placement Officers from across Telangana and both Telugu states. Together, we share knowledge, exchange ideas, and support each other in driving better career opportunities for our students.

The consortium has been actively working for over a year, starting with our first closed-group meeting on **10th February 2023**. We officially registered on **29th April 2023**, with the vision of growing together as a community. Since then, we've had two milestone events—the **launch at T-Hub in August 2023** and our **1st Annual Meet on 26th & 27th April 2024 at the International Centre Bala Vikas**. These gatherings were a testament to what we can achieve collectively.

We would love you to be part of this journey and achieve. Let's connect, discuss the consortium's goals, enhance opportunities for students.

**Membership Duration:** 1st April 2025 – 30th March 2026

Looking forward to your positive response and to welcoming you into the consortium!

Best regards,

  
Ms. Vijaya Mair

President
